

JUNE REPORT for Social Concerns

We will NOT have meetings in June or July, stay tuned for news on an August meeting.

This is the report for JUNE MINUTES.

A. Social Concerns has been asked to help out with a fruit tray for Orbik's Baby Shower June 19th. Wanda Dixon has graciously said she would find someone to help her with that request.

B. Care & Share has asked for a committee member to be a liaison for quarterly meetings, Bev Harris has graciously offered to be that person, and has attended the first meeting. See the church newsletter for information on the June fundraiser (Buying Gold) for Care & Share.

C. With Dean's departure, I will send a card from our Social Concerns Committee, thanking him for his support of the committee throughout his tenure at First United Methodist Church.

D. We have added a new line item to the Activity Report. There was a donation for member assistance in the amount of \$200. To keep that intact until we have a request we are putting it in Member Assistance line item.

E. Laundry Vouchers - came in very high this month, and I have decided we need to give them a maximum we can pay monthly. After this month that monthly will be maximum of \$250. Hoping you approve of that decision.

F. Expenditures for the month of June.

Incoming:

May Donations totaled \$610.15
May- Member Assistance \$200

The committee had given me permission to determine expenditures when we don't hold a meeting

I have asked Shannon to write the following checks for our committee for June:

Expenditures:

Care & Share Salary \$50

Care & Share Donations \$305

Heminger House \$75

Laundry Voucher \$228

Beginning Balance \$1,208

Total Donations \$658

Balance \$550

Submitted by Shelley Heiden, chairperson
