

Outreach & Membership Support Committee

February 15, 2010

Present: Eric Anderson, Carol Beiter, Gloria Daily, Matt Pickut, and June Pullen.

Old Business: Game night held on February 6th was not very well attended. We will try other social activities later. At the next meeting, we need members to sign up to send follow up notes to visitors.

New Business: Cookie Sunday will be February 21st. Carol will set up and cookies have been promised.

We discussed projects for the coming year. The Corn Roast will be held in July and we will again invite the neighborhood residents. We were pleased with the attendance of neighbors last year, but hope to have more this year. We will ask the Well band to perform again this year.

A Labor Day float will be entered in the parade. A separate float committee will be recruited from the entire church. We hope to make this a church project.

Next meeting: March 15, 2010 at 6:00 p.m.
