

**WORSHIP COMMITTEE MINUTES,  
JANUARY 7, 2009**

Mary Kaufman called the Worship Committee meeting to order at 4:30 p.m. The following members were in attendance: Dorothy Steinke, Mary Kaufman, Debbie Palmer, Kay Finlay, Barb Quivey, Mike Boys, Isabelle Thayer, Judy Stump and Dean Fager. Mary gave devotions and the opening prayer. The minutes of October 1, 2008 meeting were approved as mailed.

Under old business, the advent devotional booklets were discussed. There were 23 regular print and 2 large print left. It was felt that the devotional was stilted and not easy to use. Dean will try a new source for the Lenten devotionals and 50 regular print and 15 large print are to be ordered.

Dean presented a proposal for a new 9:15 service on Sunday in Fellowship Hall which would coincide with the Sunday School hour. It is hoped that this service would give the Sunday School program a badly needed boost. Dean thinks it will require minimum staff (only a preacher and a key-boardist) and hopefully will attract new families. Mike Boys made a motion to support this service with Debbie Palmer seconding. Motion passed.

Dean reviewed the upcoming schedule of services. Mike Boys asked that the Well service be promoted stating that the sign is too small and asking for a large sign in the front of the church. Dean explained city ordinances that do not allow for these types of signage; Mike stated that we continually need to promote the Well.

Kay mentioned that she will schedule the tuning of the organ and piano in the spring, as weather dictates.

The next meeting will be April 22, 2009 at 4:30 p.m.

Respectfully submitted,

Kay Finlay
